Dear Mr Loquan 

**AMMONIA PLANT, BURRUP PENINSULA – MINISTERIAL STATEMENT 586 –
CHANGE TO PROPOSAL APPROVED UNDER SECTION 45C OF THE
ENVIRONMENTAL PROTECTION ACT 1986**

Thank you for your application dated 7 May 2015 requesting changes to the Ammonia Plant, Burrup Peninsula (Ministerial Statement No. 586) under section 45C of the *Environmental Protection Act 1986*.

I consider the changes, as described in Attachment 5 to Ministerial Statement 586 (enclosed), are unlikely to result in a significant detrimental effect on the environment in addition to, or different from, the effect of the original proposal. Approval of the changes is therefore granted under section 45C of the *Environmental Protection Act 1986*. This approval does not replace any responsibilities you may have for seeking approvals from other government agencies to implement the changes.

Please note implementation of the Ammonia Plant, Burrup Peninsula proposal, including the approved changes described in Attachment 5, is subject to the conditions of Ministerial Statement 586. The General Manager of the Office of the Environmental Protection Authority may monitor the implementation of the proposal for the purpose of determining whether the implementation conditions are being complied with.

Yours sincerely

Dr Paul Vogel

CHAIRMAN

for the Minister for Environment
under Notice of Delegation dated 24 November 2004
